

Henry & Sons Heating and Cooling, Inc. is pleased to announce our merger with Control Tech Heating and Air Conditioning, Inc. This event officially took place on October 8, 2015 and Henry & Sons began conducting business with Control Tech.

Henry & Sons has been a family owned and operated business since 1983 committed to total customer satisfaction. Our customers are responsible for the success of our business the last 32 years. Your continued business and referrals are a reflection of our dedication to complete quality and superior service.

Control Tech is also a family owned and operated business in operation since 1983. They exceeded our hopes for a company we can join and continue the traditions we have built based on excellent service, deep expertise and an environment our customers and associates are proud to be a part. With the hundreds of years of combined experience from service technicians, installers, comfort consultants and support staff you can feel confident in this exciting news.

There are several things that **WILL REMAIN THE SAME:**

- We will continue to work hard to earn your business everyday on every visit.
- We will continue to provide 24 Hour Emergency Service.
- We will continue to provide the same great service you have come to expect.
- The service and quality we have provided will continue to be offered by the combined company.
- We service all makes and models.
- We will continue to be a Trane and Lennox Dealer.

We will continue to conduct business as usual and operate from Control Tech's office. All the contact information for us will remain the same at this time.

If you have questions about this exciting news and what it will mean for you, please contact us. We look forward to hearing from you.

We are grateful to you for giving us the opportunity to provide you with heating and air conditioning services and for your loyalty and friendship. We are confident that our new affiliation will serve us all well.
